

Students agreed to 10 hours of community service when receiving their scholarships. The purpose of the service is to get students in the habit of giving back and promote recruitment, retention, and STEM awareness. Space Grant scholars provided over 168 hours of service to the following organizations:

- Service to college students:
 - Observatory Night for TsiBai Ti M.S
 - Data Collection & filling for Zuhl Library
 - Red & Black Ball
- Service at academic conferences:
 - NM Geological Society annual spring meeting
 - Annual Dept of Biology Research Day
 - Annual Meeting of Rio Grande Branch of America Society for Microbiology
 - AIAA Technical Symposium
 - American Nuclear Society Conference
 - Mars Sample Return Conference
- Service to pre-college students:
 - Cosmic Carnival
 - Boy Scouts Radiation Physics Merit Badge
 - Science & Engineering Research Challenge
 - Science, Engineering, Mathematics Aerospace Academy (SEMAA)
 - Intel Science & Engineering Fair Judge
 - Alameda Elementary
- Service to general public:
 - Sky Safari
 - Deming Gem & Mineral Show
 - Campus Observatory Open House
